Perth, Western Australia

Western Australia - endowed with unique natural attractions and boasting an array of activities, the state is setting itself as a popular meeting and tourist destination. Our capital city Perth is renowned for its fresh, clean and unpolluted environment, its relaxed outdoor lifestyle and its agreeable Mediterranean climate. Above all else, it is the people of Perth and Western Australia who are our greatest asset. Perth was voted the 'World's Friendliest City' by readers of the US Leisure and Travel magazine in 2002, but don't take their word for it, come and visit and see for yourself! With a state that spans more than 2.5 million square kilometres it is possible to sunbathe on a beach somewhere in the state 365 days of the year.
