

## Report to Areas B, C and D Southern Region - May 2006

The AATimes website and publications are published by AA members under guidelines approved by Areas B, C and D in the Southern Region of Australia. (See guidelines <http://www.aatimes.org.au/aboutus/> ) The guidelines specify that the editor should make a regular report. This is it!

### Web Site

The website is now getting over 250 visitors each week and growing. This chart shows the growth in the number of visitors over the last 6 months.

### Newsletter

The newsletter, which lists all the coming AA events, is delivered by email every week. It's sent out on Sunday evening in time for Monday and it's never been late. It was even published remotely when I was away in Townsville. Our subscriber list for the free weekly newsletter is growing – now up to 220 groups and individual members.

### Meetings Lists

Meetings Lists are available for download from the website. These can be printed on a single double-sided A4 sheet. They are kept up-to-date monthly. There are three different lists:

- Melbourne Meetings listed by Day
- Melbourne Meetings listed by Suburb
- Country Meetings

We have stopped making the Meetings Booklets – they were difficult to maintain and people had a lot of trouble printing and folding them correctly. The single page lists are more popular.

### Group Web pages

More and more groups around Victoria now have their own website. There are links to all of these on the home page of the AATimes

- Box Hill
- City Group
- Colac Group - "Laugh and the World Laughs with you"
- Creativity in Recovery
- The Deal - Men's Stag Meeting
- Flemington Discussion Group
- Harmony Group
- Heidelberg Discussion
- Heidelberg Steps
- It'll Be Right Group
- Pass It On Group
- Road To Recovery Group
- Steps for Beginners Group Dandenong
- Steps in St Kilda Group
