Area D Groups, Southern Region

**RESCHEDULING OF THE PLANNED
12th SEPTEMBER MEETING
TO CONSIDER AN INTERGROUP
OFFICE WITHIN AREA D**

The proposed meeting to consider the establishment of an Intergroup Office in Area D will not be held on 12th September but will be rescheduled to a later date.

Only Groups that are interested in considering setting up an intergroup office need attend, as this is not an Area commitment, but a choice for individual groups.

To facilitate this, the Area Committee has decided to contact each of our Area D Groups and to invite those groups which express an interest in this issue to participate in a discussion meeting.

The email address* below can be used to register your interest and, if sufficient interest is shown, a new venue and date will be advised.
